

Wedding Policy and Agreement

On-site weddings

theChapel does not typically host weddings on site.

Officiating

Pastors at theChapel may perform weddings at a suggested rate of \$500.

Premarital counseling

Any couple wishing to be married by a pastor at theChapel must complete our premarital counseling course, facilitated by one of our staff pastors. There is an assessment fee of \$35 associated with the counseling resources. You can register for this type of counseling at TheHopeCenter.cc.

Marriage Mentorship

Within 60 days of the wedding date, each couple will be provided with a marriage mentor. Marriage mentors are couples who have exhibited a tenured relationship, who have received salvation, and have experienced seasons of life that allow them to be an example to a newly married couple. Marriage mentors are available to the newlyweds for at least one year to meet at agreed upon intervals. Meetings will provide tools and strategies that come with the wisdom and experience mentors have developed in their marriages to serve the next generation of Christ-centered families.
